REMARKS

This is in response to the Office Action mailed February 4, 2003, in which all pending claims (1-20) were rejected. Reconsideration of the application is respectfully requested.

In Section 2 of the Office Action, the Examiner indicated that items AM, BL, BM, BN and BO that were listed in the Information Disclosure Statement filed June 14, 2002 were not considered because copies of the references were not provided. Along with this Response, Applicant has resubmitted the above identified references. Consideration of the references is respectfully requested.

In Section 3 of the Office Action, the Examiner objected to the drawings as failing to comply with 37 C.F.R. §1.84(p)(5) as failing to include reference number "82". With this Response Application has provided a proposed drawing correction to FIG. 4 to included the missing reference sign as indicated in red. Applicant requests approval of the proposed drawing correction and withdrawal of the objection.
